

## **Policy**

### **Anti-Ragging Committee**

C.K.B. College, Teok has zero tolerance for ragging and is proud to say that the college is ragging free. Students are informed to follow the act and ensure a ragging-free campus.

To ensure compliance as per the UGC Regulation on curbing the menace of ragging in higher educational institutions, the committee was constituted in 2019 with the Principal as the chairperson and convenors and members are appointed from time to time. The "Anti-ragging Policy" adopted by the institutions is aimed to:

- i. Creation, development and nutrition of a conducive, socio-academic environment within the student population.
- ii. Generating and maintaining a high level of confidence within new entrants and their parents /guardians to perceive that fresh entrants to the institute are welcomed and provided support rather than harassed and intimidated.
- iii. Keeping in place an integrated system to discourage and prevent any negative acts like ragging by seniors which disputes the socio-academic integration among the new entrants.
- iv. Prescribing deterrent measures for any violation of the "Anti-Ragging Policy" by way of disciplinary measures.

#### **Steps taken to implement anti-ragging on and off campus are:**

- i. Newly admitted students are instructed and informed about the anti-ragging policy and reach the Anti-Ragging Committee in case they face any problem
- ii. There is a Fresher's social at the department level and as well as General Fresher's social with concern from the college authority and held in the presence of the faculties. The first year students are made to the part of the students Union Body so that they can overcome shyness and mingle with the seniors.
- iii. The Union Body members are included in the committee. This helps to prevent ragging at the micro level.
