

STUDENTS' SATISFACTION SURVEY REPORT (2021-22)

C.K.B. COLLEGE, TEOK- 785112

DECEMBER 2021

ABOUT THE SURVEY

Students of an Institution form the core of the stakeholders and all the activities undertaken by the institute are focused on creating a barrier free and conducive environment for excelling in their academics. In this regard the institution has provided many facilities for the benefit of students such as Hostels, Drinking Water, Canteen, ICT, proper teaching-learning environment, institution's innovation in providing multiple opportunities etc. to name a few. In the process the institution strives to achieve its program objectives as laid down in the policy document.

It becomes imperative for any institution to reiterate that it is achieving its set goals and therefore it becomes necessary to elicit perceptions and opinions of the students who are the foremost stakeholders and identify the deviations if any, to improve the system and hence this survey is being carried on.

SURVEY PROCESS

The survey is conducted and reported by Internal Quality Assessment Cell (IQAC) with the support of the Student's Satisfaction Survey Committee, Heads, and Students of all the departments. The IQAC has appointed the Student Satisfaction Survey Committee to undertake this work. This survey is conducted 2 months before the commencement of the odd semester examination. The questionnaires were prepared in the form of Google form and circulated through various online platforms viz. email, WhatsApp, etc.

The feedback was taken on different attributes like; Basic Facilities, Basic Services, Maintenance and Cleanliness, Co-curricular activities, Food and water, Library Services, and Hostels. The responses obtained on these dimensions are compiled into a spreadsheet. Moreover, Pie Charts have been used in analyzing the responses of the students.

The results of the survey will help the institution to understand both the short-term and long-term needs of the students and initiate remedial action to improve the facilities for students wherever it is required. Moreover, the outcome of this survey will provide a base for planning for the future.

The Student's Satisfaction Survey Committee sincerely thank all the members of the Management, Principal, and Heads of the Departments for permission and implementation of the survey. Our committee conveys thanks to the students who have expressed their opinions and/or views sincerely.
