Participation of Teachers in Decision –Making Process:

Teachers discharge an important role in implementing the vision and mission of the college and department by being the members of various governing bodies and in implementing the policies. Heads of Departments enjoy considerable administrative and academic autonomy in running their disciplinary units. Besides, teachers are members and conveners of the various committees that are instituted for the day-to-day functioning of the college. Some of these committees are the Internal Semester Monitoring Committee, the Planning , Purchasing and Monitoring Board , Campus Development Committee, etc. The Internal Semester Monitoring Cell determines various innovative teaching-learning practices to be adopted. Teachers also discharge driving pervasive role as motivators for cultural and socially conscious activities in the institution by steering the NSS unit, the Women's development cell. The formal and informal arrangements in the premises to co-ordinate the academic and administrative planning and implementation reflects the Colleges efforts in achieving its vision.
